It wasn't hard to come up with the theme "The Magic of 80". Beta Sigma Phi 80 years old! Wow, we want to celebrate! We will remember the past and celebrate the future of our beloved sorority on a seven day escape to the Caribbean.

Our beloved Ross brothers are gone and Laura Ross is our new leader. We look forward to hear her vision for this our sisterhood.

Another milestone to celebrate is the 15th year of the Beta Journal and the birth of ONLINE Chapters of Beta Sigma Phi. Karen Ing has been invited as a special guest and will help us as we move to the digital age!

Now is the time to gather your sisters and represent your state, council or chapter. There will be great contests and fun activities. Let's celebrate our Golden Circle of Friendship on the "MAGIC of 80" Cruise.

Galveston was chosen because it is centrally located. Even more fabulous is that we'll be cruising on the newest ship in Carnival's fleet, The MAGIC! Go to carnival.com and check out this FAB ship!
